ABOUT US

At Ipost Logistics and Procurement, we are more than just a logistics and procurement company; we are your trusted partner in navigating the complex landscape of camp procurement nationwide in Somalia. Our story is one of growth, commitment, and an unwavering dedication to delivering excellence in every aspect of our business.

Founded in 2019 by the visionary entrepreneur, Ifrah Mohamed Ali, Ipost embarked on its journey with a single small vehicle, driven by a deep sense of purpose and the desire to make a difference. We began by supplying essential goods to the Mogadishu International Airport (MIA), serving as the critical link between suppliers and those on the front lines of humanitarian efforts and development projects.

<p>We hold quality as the cornerstone of our operations. Every product we source and deliver undergoes rigorous quality checks.</p>	<p>We conduct business with the utmost integrity, adhering to ethical principles, and maintaining transparency in all our dealings.</p>	<p>We believe in the power of community and actively engage in initiatives that contribute to the well-being of the communities we serve.</p>
---	---	---

WE ARE COMMITTED TO DELIVERING PRODUCTS AND SERVICES OF THE HIGHEST QUALITY.

At Ipost Logistics and Procurement, our values form the moral compass that guides every decision we make, every action we take, and every interaction we have with our clients, partners, and the communities we serve. These values are not just words on paper; they are deeply ingrained in our corporate culture, shaping the way we conduct business and the impact we aim to create.

What sets Ipost apart is not just our ability to procure and deliver goods, but our unwavering commitment to our clients' success. We understand that the success of your camp operations depends on the reliability of your supply chain, and we take that responsibility seriously.

At Ipost Logistics and Procurement, our primary commitment is to our clients. We prioritize your needs and work tirelessly to ensure your satisfaction. Whether you're a humanitarian organization, a construction company, or a government agency, we understand the unique demands of your operations, and we're here to support you every step of the way.

- ✓ We source goods locally and do effective testing
- ✓ We deliver nation wide
- ✓ All our staff members are vetted

OUR MISSION

To be the foremost catalyst of progress and prosperity in Somalia, connecting communities, industries, and ambitions through seamless logistics and procurement solutions. We aspire to be the trusted partner of choice, recognized for our unwavering commitment to excellence, ethical values, and lasting positive impact.

Our mission is to be the trusted partner our clients can rely on, enabling them to focus on their core activities while we navigate the complexities of logistics and procurement. We are committed to building lasting relationships, creating value, and contributing to the success of those we serve.

AT IPOST WE CARE FOR THE PEOPLE AND COMMUNITY

Our team to excel, fostering a culture of collaboration, and prioritizing safety and well-being for our staff, clients and partners.

OUR VALUES

At Ipost Logistics and Procurement, our values are the compass that guides our actions, decisions, and interactions with our clients, partners, and the communities we serve. These values are not merely words; they are the foundation of our culture and the driving force behind our commitment to excellence and ethical business practices.

- ✓ Delivering top-notch logistics and procurement services
- ✓ Upholding the highest standards of quality, integrity, and transparency in all our operations.
- ✓ Cultivating innovation, adaptability, and sustainability to continuously improve our services.
- ✓ Actively engaging in social responsibility initiatives that contribute to the well-being of the communities we serve.

OUR TEAM

OUR LEADERSHIP TEAM PROVIDES GUIDANCE, VISION, AND DIRECTION TO OUR ENTIRE ORGANIZATION.

IFRAH MOHAMED ALI CEO

Ifrah Mohamed Ali, the visionary founder of Ipost Logistics and Procurement, is a true trailblazer in the logistics industry. Her dedication, leadership, and entrepreneurial spirit have been the driving force behind the company's success. With a keen eye for identifying opportunities and a commitment to excellence, Ifrah has transformed Ipost into a prominent player in the Somali business landscape.

MARK AFUODI PROCUREMENT OFFICER

Mark Afuodi, a skilled Procurement Officer from Kenya, brings a wealth of experience and a keen eye for detail to the Ipost team, ensuring excellence in every procurement process.

MUHAMMAD ZAHID CIVIL ENGINEER

Zakaria Mohamed Shire, a dedicated manager based in Mogadishu, excels in leading teams with a strategic approach, contributing significantly to Ipost's operational success.

ABDULRAHMAN DAHIR SHIIQOW ENGINEER

Abdulrahman Dahir Shiiqow is a highly skilled engineer known for his innovative problem-solving abilities and technical expertise, significantly enhancing Ipost's project outcomes.

EXCELLENCE

Every member of our team shares a common commitment to excellence. Whether it's our procurement specialists meticulously sourcing quality products

CUSTOMER SERVICE

Our team understands that our clients are at the core of our business. They are more than just customers; they are partners. Our client-centric approach means that we listen.

Diverse skills, united by excellence.

Passionate experts, committed to excellence.

Safety, well-being: our top priorities always.

Empowered individuals, fostering a culture of achievement

Client-focused, delivering tailored solutions consistently.

Collaboration fuels innovation, drives exceptional results.

OUR SERVICES

1. PROCUREMENT

We simplify the procurement process, offering efficient and reliable sourcing of top-quality products and materials. Whether it's everyday goods, construction materials, or specialized supplies, we ensure your needs are met promptly and cost-effectively. With a commitment to quality assurance and a client-centric approach, we make procurement easy, allowing you to concentrate on your core activities while we handle the rest.

2. SUPPLY CHAIN

We seamlessly connect the various elements of your operations, ensuring a streamlined flow of goods and materials. With a client-centric approach and a commitment to efficiency and reliability, we empower you to focus on your core activities while we navigate the intricacies of your supply chain, enhancing your overall productivity and success.

3. LOGISTICS

We streamline the movement of goods, ensuring they reach their destination on time, every time. With a client-centric approach and a dedication to optimizing logistics operations, we allow you to concentrate on your core activities while we handle the intricacies of transportation, distribution, and delivery, ultimately enhancing your operational efficiency and success.

4. CATERING

Whether it's providing delicious meals for your camps, events, or operations, we excel at delivering exceptional catering solutions. With a focus on quality, taste, and variety, we ensure your dining needs are met with excellence, allowing you to savor the moment while we take care of the details, enhancing your overall satisfaction and enjoyment.

5. FACILITY MANAGEMENT

We provide comprehensive solutions to maintain, enhance, and optimize your facilities. With a focus on efficiency, sustainability, and safety, we ensure your spaces are well-maintained and conducive to your operations, allowing you to concentrate on your core activities while we manage the intricacies of facility upkeep, ultimately enhancing your overall functionality and success.

6. WAREHOUSING

We offer secure and efficient storage facilities to meet your inventory needs. With a commitment to organization, safety, and accessibility, we ensure your goods are stored and managed effectively, allowing you to focus on your core operations while we handle the complexities of warehousing, ultimately optimizing your supply chain and success.

ACCOMMODATIONS

Ipost Hospitality Services

Ipost Hospitality Services stands as a beacon of luxury and comfort in Somalia's hospitality sector, particularly noted for our exceptional offerings within the Mogadishu Airport greenzone area. We blend the essence of Somali hospitality with modern amenities to provide an unparalleled guest experience. Our facilities, nestled in the heart of the secure greenzone, offer a tranquil retreat from the bustling city, making us a preferred choice for discerning travelers seeking both comfort and safety.

Luxurious Accommodations

Our accommodations within the Mogadishu Airport greenzone area are a harmonious blend of luxury and security, designed to offer guests a serene and comfortable environment. Each room, elegantly furnished and equipped with contemporary amenities, caters to the needs of both leisure and business travelers, ensuring a stay that is both relaxing and productive.

VIP and Rental Transportation Services

We offer VIP transportation with bulletproof Toyota SUVs, manned by expertly trained drivers, ensuring maximum safety and comfort in Mogadishu. Additionally, our range of rental services includes a variety of non-bulletproof vehicles, catering to diverse mobility needs with reliability and convenience.

Catering and Dining Services

At Ipost, we take pride in our catering and dining services that offer an array of culinary delights, crafted by skilled chefs. Guests can indulge in a range of dishes, from authentic Somali cuisine to a variety of international flavors, all served in a setting that is both elegant and welcoming, ensuring a dining experience that is as delightful as it is memorable.

Event Hosting and Management

Our expertise extends to hosting and managing various events, including corporate gatherings, conferences, and private celebrations. Our event spaces are equipped with the latest facilities, and our dedicated team ensures that every event is executed flawlessly, catering to the specific needs and preferences of our clients, making each event a unique and successful experience.

ASSET LEASING

Comprehensive Leasing Solutions

At Ipost, we offer an extensive array of asset leasing services tailored to meet the diverse needs of various industries in Somalia. Our leasing portfolio includes heavy equipment essential for construction and mining, transportation trucks for logistics and supply chain management, versatile small vehicles for urban and rural mobility, and reliable generators for continuous power supply. Our commitment is to provide high-quality, well-maintained assets that enhance operational efficiency and productivity for our clients. We understand the dynamic demands of the Somali market and are equipped to offer flexible leasing options that align with specific project requirements and timelines.

Client-Centric Approach to Asset Leasing

Our approach to asset leasing is deeply rooted in understanding our clients' unique business challenges and providing solutions that drive their success. We pride ourselves on offering a hassle-free leasing experience, with a focus on quick turnaround, comprehensive support, and flexible terms that cater to both short-term and long-term needs. Whether it's aiding in the completion of a major construction project, facilitating efficient transportation, or ensuring a reliable power supply, our goal is to help our clients achieve their objectives with minimal downtime and maximum efficiency. With Ipost, clients gain a partner who is committed to their growth and operational excellence.

Heavy Equipment Leasing

At Ipost, we provide an extensive range of heavy equipment leasing services, catering to construction, mining, and large-scale project needs in Somalia. Our fleet includes state-of-the-art machinery like excavators, bulldozers, and cranes, ensuring high performance and reliability for any demanding task.

Transportation Truck Leasing

We offer a comprehensive fleet of transportation trucks for lease, suitable for a variety of applications including cargo transport, logistics, and supply chain management. Our trucks are maintained to the highest standards, ensuring efficiency and safety in all your transportation needs.

Small Vehicle Leasing

Our small vehicle leasing services are ideal for businesses and organizations in need of flexible and efficient transportation solutions. From sedans to SUVs, our range of vehicles is perfect for navigating the diverse terrain of Somalia, offering comfort and reliability for both urban and rural travel.

Generators

Understanding the critical need for consistent power supply, Ipost offers robust and efficient generators for lease. Our generators range in size and capacity, providing a reliable power source for construction sites, events, and emergency situations, ensuring your operations run smoothly without interruption.

CONSTRUCTION

Building for a Diverse Clientele

In the heart of Mogadishu, Ipost has established itself as a premier provider of construction services, catering to a wide array of clients including NGOs, private entities, government institutions, and defense organizations. Our expertise lies in understanding the unique requirements of each sector, enabling us to deliver projects that meet the specific needs and standards of our clients. Whether it's constructing facilities for humanitarian aid organizations, private sector infrastructure, government buildings, or defense establishments, we bring the same level of dedication and precision to every project.

Tailored Construction Solutions

Our approach to construction in Mogadishu is deeply rooted in a commitment to quality and sustainability. We leverage our local knowledge and global best practices to build structures that are not only durable and functional but also contribute positively to the community. Each project, whether for an NGO, a private client, a government agency, or a defense body, is executed with an emphasis on timely completion, budget adherence, and adherence to the highest standards of construction ethics and safety. At Ipost, we are not just building structures; we're shaping the landscape of Mogadishu for a better future.

Commercial Building Construction

We specialize in constructing commercial buildings, from office complexes to retail centers, tailored to the unique needs of the business community in Mogadishu. Our team ensures that each project combines aesthetic appeal with functional design, creating spaces that foster business growth and opportunity.

Residential Development

Our residential construction services focus on creating comfortable, secure, and sustainable living spaces. From individual homes to large housing complexes, we utilize high-quality materials and modern designs to build residences that stand the test of time.

Educational and Healthcare Facilities

We are dedicated to building educational and healthcare facilities that meet the highest standards of safety and functionality. Our projects in this sector aim to create environments that are conducive to learning and healing, contributing to the well-being of the community.

Government Projects

Our expertise extends to constructing facilities for government and defense purposes, meeting stringent specifications and security requirements. These projects are executed with precision and discretion, ensuring they fulfill their critical roles in governance and national security.

GENERATORS SUPPLY

Ipost Generator Supply, Installation, and Maintenance Services

Ipost is a leading provider of comprehensive generator services in Somalia, encompassing supply, installation, and maintenance. Our expertise lies in offering robust power solutions to ensure uninterrupted energy supply for various sectors, including commercial, industrial, and residential clients. With a focus on reliability and efficiency, Ipost's generator services are tailored to meet the specific power needs of our clients, backed by our commitment to quality, safety, and exceptional customer service. We understand the critical importance of a consistent power supply and are dedicated to delivering solutions that keep businesses and communities powered up under all circumstances.

Generator Supply

Ipost supplies a wide range of high-quality generators, suitable for different power requirements and applications, ensuring dependable energy sources for our clients.

Professional Installation Services

Our team of skilled technicians provides professional generator installation services, ensuring safe and efficient setup for optimal performance and compliance with all safety standards.

Tailored Maintenance Programs

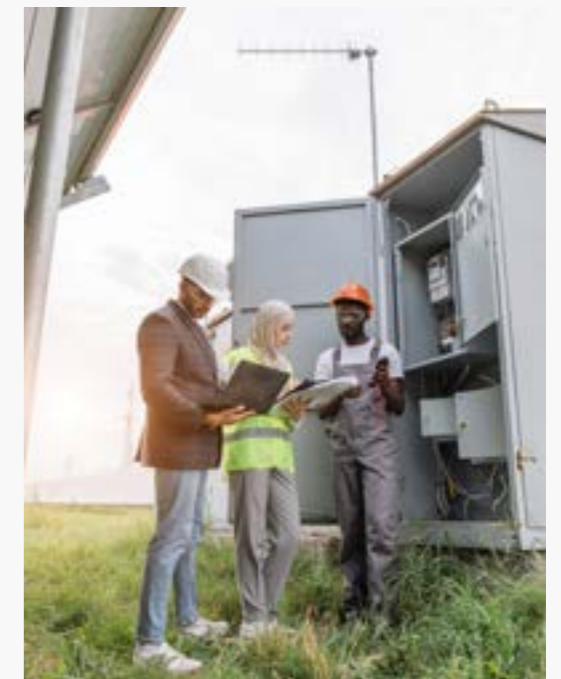

We offer customized maintenance programs, designed to keep generators in peak condition, reducing downtime and extending their lifespan.

Emergency Power Solutions

Ipost specializes in providing emergency power solutions, quickly deploying generators in situations where immediate power is needed, such as outages or natural disasters.

Energy Consultation and Planning

Our services include energy consultation and planning, helping clients to choose the right generator solutions that align with their specific energy needs and objectives.

OUR GENERATORS

Ipost Generator Supply, Installation, and Maintenance Services

At Ipost, we specialize in supplying, installing, and maintaining a wide range of top-quality generators from renowned manufacturers such as Aksa, Volvo, Perkins, Mitsubishi, and Doosan. Our extensive selection ensures that we can meet the diverse energy needs of our clients, whether for commercial, industrial, or residential use. Our commitment to quality and reliability is evident in every aspect of our services, from the initial consultation to installation and ongoing maintenance.

Our Generators.

Comprehensive Maintenance and Spare Parts Availability

At Ipost, we don't just stop at providing generators; we ensure their longevity and optimal performance through our comprehensive maintenance services. We understand the importance of regular maintenance in preventing downtime and extending the lifespan of the generators. Our team of skilled technicians is equipped to handle all aspects of generator maintenance, ensuring that every unit continues to operate efficiently and reliably.

Moreover, we maintain a well-stocked inventory of spare parts for all the generator brands we supply, including Aksa, Volvo, Perkins, Mitsubishi, and Doosan. This extensive parts availability enables us to quickly address and resolve any maintenance needs, minimizing any operational disruptions for our clients.

With Ipost, clients can be assured of receiving not just a product, but a complete power solution that includes professional installation, dedicated support, and reliable maintenance, all tailored to their specific requirements.

Containerized Gensets

Ideal for robust energy requirements, our containerized gensets offer a secure and powerful solution for large-scale power needs.

Stationary Gensets

Perfect for permanent installations, our stationary gensets provide reliable and continuous power supply for various applications.

Lighting Towers

Specifically designed for illumination purposes, our lighting towers are essential for construction sites, outdoor events, and emergency situations.

Trailer Type Generators

Offering flexibility and mobility, our trailer type generators are perfect for temporary power needs and can be easily relocated as required.

Portable Gensets

For situations that require mobility and convenience, our portable gensets are an ideal choice, providing on-the-go power solutions.

Automatic Transfer Switches (ATS)

Our ATS units ensure seamless transition between power sources, providing uninterrupted power supply during outages.

EXCELLENCE

Dedicated to unparalleled quality, setting benchmarks in industry excellence.

CUSTOMER SERVICE

Consistently exceeding expectations with attentive, responsive, and personalized service.

Innovative solutions, superior industry performance.

Efficient, reliable, and timely delivery.

Comprehensive services tailored to needs.

Expert team, unparalleled professional knowledge.

Sustainable practices, environmental responsibility focus.

Strong client relationships, trusted partnerships.

SOLAR ENERGY SUPPLY

Ipost Solar Energy Services

Ipost is at the forefront of the solar energy revolution in Somalia, providing innovative and sustainable solar energy solutions. We specialize in harnessing the power of the sun to deliver clean, efficient, and reliable energy. Our commitment to renewable energy technologies positions us as a leader in the industry, helping to drive environmental sustainability and energy independence in the region. With a focus on cutting-edge technology and customer-centric service, Ipost is dedicated to offering solar energy solutions that meet the diverse needs of our clients, from residential to large-scale commercial projects.

Residential Solar Installations

We offer customized solar installation services for residential properties, ensuring that homeowners can enjoy the benefits of clean and cost-effective energy.

Commercial Solar Solutions

Our commercial solar solutions are designed to meet the energy demands of businesses, reducing operational costs and supporting sustainable practices.

Solar Farms

Ipost specializes in the development of solar farms, harnessing solar energy on a massive scale to power communities and contribute to the national grid.

Off-Grid Solar Systems

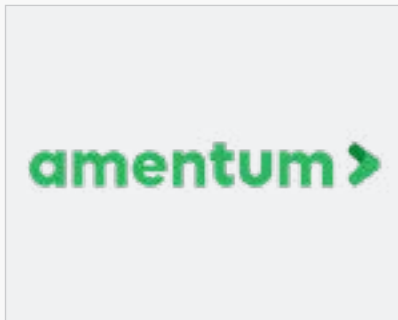

Our off-grid solar systems provide a reliable and sustainable energy source for areas without access to the conventional power grid, ensuring uninterrupted power supply.

Solar Maintenance and Support

We offer ongoing maintenance and support services for all our solar installations, ensuring their efficiency and longevity for years to come.

OUR PORTFOLIO

At Ipost Logistics and Procurement, we take pride in showcasing our successful collaboration with Amentum, a prominent player in diverse industries. Our partnership with Amentum has been multifaceted, encompassing the procurement and logistics of a wide range of goods and materials. Here is an overview of our comprehensive portfolio with Amentum:

Food Supply Chain Solutions:

Amentum entrusted us with the critical task of managing their food supply chain. From sourcing high-quality provisions to ensuring timely and efficient delivery, our expertise in food procurement and logistics has played a pivotal role in supporting Amentum's operations.

Camp Material Procurement:

Our collaboration extended to the procurement of camp materials, where we meticulously sourced and delivered a diverse range of materials essential for Amentum's camp infrastructure. From temporary structures to essential amenities, our procurement solutions contributed to the smooth functioning of their camps.

Heavy Equipment Logistics:

Navigating the complexities of heavy equipment logistics, we facilitated the seamless transportation and delivery of Amentum's machinery. Our logistics experts ensured that these heavy assets reached their destinations efficiently, adhering to strict timelines and safety standards.

Construction Materials Management:

Amentum's construction projects were supported by our comprehensive procurement services for construction materials. Our dedication to sourcing quality materials and optimizing logistics ensured a steady and reliable supply of construction essentials, contributing to the success of their projects.

Ipost Logistics and Procurement takes immense pride in our successful collaboration with the EU Training Mission, where we have seamlessly delivered a comprehensive suite of services, including printer procurement, maintenance services, and the management of essential office supplies. Here's an overview of our tailored portfolio with the EU Training Mission.

Printer Procurement for Efficient Operations:

Ipost played a pivotal role in sourcing and delivering high-quality printers specifically tailored to the EU Training Mission's operational needs. Our procurement expertise ensured the acquisition of cutting-edge printing equipment designed to enhance efficiency and meet mission-critical demands.

Proactive Maintenance Services:

Recognizing the importance of uninterrupted operations, Ipost's maintenance services for the EU Training Mission's printers guarantee optimal performance. Our skilled technicians conduct regular inspections, preventative maintenance, and swift troubleshooting to ensure the printing infrastructure remains operational at all times.

Office Supplies Management for Mission Success:

Beyond printers, Ipost efficiently managed the procurement and supply chain of office essentials for the EU Training Mission. From stationery to critical workplace materials, our services streamlined the provision of office supplies, contributing to the seamless functioning of their mission-critical activities.

OUR PORTFOLIO

Our collaboration with Dahabshii, a renowned name in the construction industry, has been a testament to our commitment to providing top-notch procurement solutions and international logistics services. Dahabshii entrusted us with their essential procurement needs for two prestigious projects, Dahab Tower and Shangani Construction, including the intricate task of sourcing construction materials from Turkey and delivering them to Mogadishu, Somalia. We have consistently delivered excellence in both procurement and logistics, contributing to the success of these ventures. Here is an expanded overview of our comprehensive services for Dahabshii:

Construction Supply Solutions

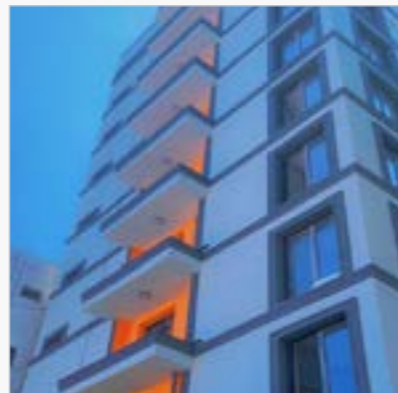

Beyond sourcing and delivering construction materials, we have been the trusted supplier of various construction supplies for Dahabshii. This includes a wide range of items essential for construction site operations, ensuring that Dahabshii's projects have access to all necessary resources.

Daily Catering Services

To support the dedicated staff working tirelessly on Dahabshii's projects, we provide daily catering services. Our culinary experts create a diverse and nutritious menu, ensuring that the construction teams enjoy delicious meals that keep them energized and motivated throughout the day.

International Staff Accommodations

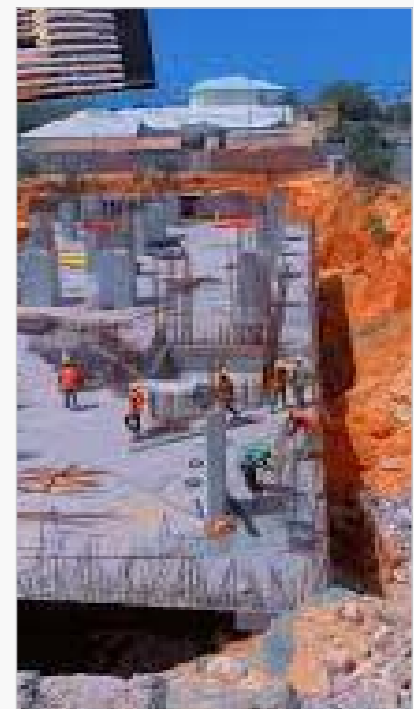

Dahabshii's projects often involve international personnel who require accommodation. We have extended our services to provide comfortable and secure accommodations for international staff, ensuring they have a comfortable and safe place to stay while working on projects in Mogadishu.

International Logistics

In addition to procurement, our expertise extended to international logistics. We efficiently sourced construction materials from Turkey, ensuring their safe and timely delivery to Mogadishu, Somalia. Our logistics capabilities streamlined the process, allowing Dahabshii to access quality materials from overseas markets.

Our expanded portfolio with Dahabshii not only highlights our expertise in catering to the unique procurement needs of the construction industry but also underscores our proficiency in international logistics, catering services, and accommodations. Dahabshii's trust in our services reflects our dedication to quality, efficiency, and reliability, whether it's sourcing materials locally or managing complex international supply chains. We are honored to have been part of Dahabshii's construction endeavors, and we eagerly anticipate the opportunity to continue supporting their future projects with our procurement excellence and comprehensive solutions.

OUR PORTFOLIO

Our partnership with Esko represents a significant milestone in our commitment to delivering comprehensive procurement and supply chain solutions. Esko, an organization with a nationwide presence in Somalia, entrusted us with a multitude of supply needs, and we have consistently risen to the occasion, demonstrating our dedication to excellence. Below, we provide an overview of our extensive portfolio of services with Esko:

Camp Supply Solutions

Esko's camp supply requirements are met with our expertise in providing essential materials. We understand the critical nature of these supplies in sustaining operations, and we have ensured that Esko receives reliable and timely deliveries.

Dry Goods Procurement

We have been the trusted source for Esko's dry goods procurement needs. Our meticulous approach to sourcing and delivering dry goods guarantees quality and punctuality, supporting Esko's operational efficiency.

Fresh Fruits and Vegetables

The commitment to providing fresh and nutritious food is a priority for Esko. We have partnered with Esko to supply a wide range of fresh fruits and vegetables, ensuring their camps are well-equipped to serve their personnel.

Water Bottle Supply

Water is an essential necessity, and we have taken on the responsibility of ensuring a consistent supply of water bottles for Esko. This aligns with our dedication to quality, efficiency, and supporting Esko's mission.

PX Store Supply

Esko's PX store requires a steady and diverse supply of products. We have been the go-to partner for sourcing and delivering goods for the PX store, contributing to its successful operation and catering to the needs of Esko personnel.

In addition to our ground logistics, we have extended our services to include airfreight. This allows us to meet Esko's urgent supply needs promptly and efficiently, ensuring that critical materials reach their destination without delay.

At Ipost Logistics and Procurement, we go the extra mile to ensure the highest standards of quality and safety. For Esko, we conduct daily quality testing of products and materials, ensuring they meet stringent standards. Additionally, we meticulously vet our suppliers to guarantee that they align with our commitment to excellence.

Our portfolio with Esko illustrates our ability to address diverse and extensive procurement and supply chain requirements across various regions of Somalia. Esko's trust in our services reflects our commitment to quality, efficiency, and reliability. We are honored to be part of Esko's mission and look forward to continuing our partnership, delivering excellence in every supply, and supporting Esko's nationwide presence and operations.

For more information about our portfolio and how we can tailor our procurement and supply chain solutions to meet your specific needs, please don't hesitate to reach out to us. We are here to empower your operations, just as we have done seamlessly for Esko in Somalia.

OUR PORTFOLIO

At Ipost Logistics and Procurement, we take immense pride in showcasing our successful partnership with Ska, a prominent entity located in Mogadishu, Somalia. Ska has entrusted us with its supply chain and procurement needs, and we have delivered consistently on our commitment to excellence. Here is an overview of our extensive portfolio with Ska:

Dry Goods Supply

Our partnership with Ska extends to the reliable supply of dry goods. We understand the importance of timely access to essential products, and our streamlined procurement process ensures that Ska receives top-quality dry goods promptly.

Fresh Food Delivery

Ska's commitment to freshness and quality aligns perfectly with our values. We have been the preferred choice for delivering a wide range of fresh food items, ensuring that Ska's culinary offerings consistently meet high standards.

Camp Supplies

Operating in challenging environments often requires specialized camp supplies. We have been the go-to supplier for Ska's camp needs, providing essential materials that contribute to the comfort and functionality of their operations.

Meat, Chicken, and Fish

Our portfolio includes the reliable sourcing and delivery of meat, chicken, and fish to Ska. We understand the importance of food safety and quality in the culinary industry, and we have consistently met Ska's requirements with top-notch products.

Our portfolio with Ska underscores our ability to cater to diverse needs across various industries. Ska's trust in our services reflects our commitment to quality, efficiency, and reliability. We are honored to be part of Ska's success story and look forward to continuing our partnership, delivering excellence in every supply, and contributing to Ska's continued growth and achievements.

Our partnership with Espresso to Go in Mogadishu, Somalia, has been a journey steeped in excellence and dedication to delivering a wide range of procurement solutions. Espresso to Go, a renowned coffee shop, entrusted us with their comprehensive needs.

Coffee Supply Solutions

Espresso to Go's heart and soul is in its coffee offerings. We have been their go-to supplier for a variety of coffee beans and products, ensuring they have access to a diverse range of coffee options to delight their customers.

Restaurant Supplies

To create an inviting and efficient dining experience, Espresso to Go required a variety of restaurant supplies. We have supplied them with essential items such as cutlery, tableware, and kitchen equipment to support their operations.

One-Time Use Items

Espresso to Go values convenience for its customers. We have provided a steady supply of one-time use items such as disposable cups, lids, and utensils to enhance the coffee shop's service efficiency.

Overall Shop Essentials

Beyond coffee-related needs, we have fulfilled Espresso to Go's requirements for overall shop essentials. This includes everything from cleaning supplies to display items, ensuring the coffee shop is well-maintained and aesthetically pleasing.

Our partnership with Espresso to Go underscores our ability to provide tailored procurement solutions for businesses in the hospitality and coffee industry. Espresso to Go's trust in our services reflects our commitment to quality, efficiency, and reliability. We are honored to be part of Espresso to Go's journey and look forward to continuing our partnership, supplying excellence for their coffee shop in Mogadishu, Somalia.

OUR CLIENT

TRUSTED SUPPLIER FOR STAR EMPIRE GROUP
SINCE 2022

At Ipost Logistics and Procurement, our clients are at the heart of everything we do. We consider them not just as business partners but as essential collaborators in our mission to simplify and optimize the supply chain journey. Our diverse client base spans various industries and sectors, including humanitarian organizations, construction companies, and government agencies. Among our esteemed clients are:

Star Empire Group:

As a trusted partner of Star Empire Group, we work closely with them to provide seamless logistics and procurement solutions that support their diverse operations. Our collaboration with Star Empire Group reflects our ability to meet the unique demands of this prominent organization.
